### Who we are: the Rethink Plastic alliance

Rethink Plastic is an alliance of leading European NGOs with one common aim: a future that is free from plastic pollution. We represent thousands of active groups, supporters and citizens in every EU Member State. ### What we need: a new website

We are looking for a freelance webdesigner or a communications agency to develop a new website for the Rethink Plastic alliance.

Notably, we aim to turn our current [landing page](#) into a more comprehensive Wordpress website, including the following pages:

- Homepage
- About

- Resources
- Events
- Contacts

The website should be online by the end of March / beginning of April 2018.
